INCLUSIVE LEADERSHIP MENTORING PROGRAM NSW

FACILITATED BY

THE FRANKLIN WOMEN INCLUSIVE LEADERSHIP MENTORING PROGRAM SUPPORTS THE CAREER PROGRESSION OF MID-CAREER WOMEN WHILE DEVELOPING THE INCLUSIVE LEADERSHIP CAPABILITIES OF SECTOR LEADERS.

ABOUT THE PROGRAM

Franklin Women is excited to deliver the 9th cohort of our NSW Mentoring Program in 2025.

Delivered over 6 months, the cross-organisational Mentoring Program combines informal mentoring sessions between mentees and mentors, with expertly facilitated workshops and events. The facilitated sessions provide career development, mentoring and inclusive leadership frameworks.

Through this Program, mentees gain confidence and clarity around their career progression while mentors learn how their own leadership can positively shape the culture within their teams, organisations, and the wider sector.

The NSW Program will run between May and November 2025 (refer to Program Dates overleaf).

WHAT SETS THIS PROGRAM APART?

CROSS-ORGANISATIONAL PROGRAM

Connecting mentees with mentors from organisations across the health and medical research ecosystem.

THOROUGH MATCHING PROCESS

A rigorous matching process based on critical factors for a successful mentoring partnership.

FULLY SUPPORTED EXPERIENCE

Participants are supported by experienced executive coaches and an online mentoring platform.

RESULTS FOR MENTEES AND MENTORS

The Franklin Women Mentoring Program is an evaluated gender equity initiative within the Australian health and medical research ecosystem, which has positive impact on the careers of women (mentees) while also the inclusive leadership skills of leaders of all genders (mentors).*

Program participants also drive a ripple effect of positive change within their teams, organisations and wider ecosystem.

“

Participating in this program has been a complete game changer. My mentor has been perfect and exactly what I needed. I have learnt and gained so much which has invigorated my passion for my role!

-2024 Mentee

95% OF MENTEES SURVEYED IN 2024

said this program has helped them be more successful in their role

83% OF MENTORS SURVEYED IN 2024

said this program has enhanced their leadership skills

“

“It was great to see my mentee flourish and gain skills that facilitated improvements in career development that I don't think would have happened in the absence of the program.”

-2024 Mentor

KEY DATES 2025

Participation in the 6-month Mentoring Program involves attendance at the facilitated workshops outlined in the table below, (in-person workshops in Sydney and virtual via Zoom), as well as approximately 6 - 8 informal meetings between mentees and mentors at their convenience.

All participants need to have the capacity to attend workshops and work with their pair for the entirety of the program.

* The date of these sessions will be provided to confirmed participants before the program starts.

HOW TO PARTICIPATE

This is a cross-organisational Mentoring Program which means workplaces within the health and medical research ecosystem sign up to take part and nominate their staff/students who will go through the Program as a mentee or mentor. Mentees and mentors are matched outside of their own organisation,

If you are interested in participating as a mentee or mentor, please enquire within your organisation to see if they are a participating in the Program. If you are not sure if your organisation participates, please contact Franklin Women.

Franklin Women also sponsors mentee places for Franklin Women members from non-participating organisations. Refer to our website for more details: www.franklinwomen.com.au

PARTICIPANT CRITERIA

MENTEE

A woman whose work contributes to improving health outcomes in an academic or non-academic capacity in any discipline (e.g. laboratory, public health, clinical research, health technology, medical engineering etc).

Minimum 8-10 years professional experience. Equates to university C or equivalent.

MENTOR

An individual of any gender who has demonstrated significant experience in the sector at a leadership level, either in a research, academic or executive capacity.

A minimum 15 years professional experience and currently in a leadership role.
